Finding local support in your community during coronavirus

I need help

Do you have family, friends or neighbours who could help with things like shopping and picking up prescriptions?

Yes

No

Wherever possible people who are self-isolating are being encouraged to ask for help from family, friends, and neighbours. This will help us prioritise people with no help or support nearby.

Our customer service centre can signpost you to your nearest community support organisation for help with shopping, prescriptions, caring for pets and having someone to talk to.

Monday-Friday 8am to 5:30pm

We are working closely with our borough and district council partners who are also able to signpost people to a local community support organisation.
