

70 Rabbits!

Members of our Knit & Natter Group have been busy knitting little rabbits for the Camphill Village Trust. Alex Robinson collected the 70 knitted rabbits & they will be filling them with small Easter eggs and selling them in their shop and on-line to raise funds.

Botton Village and its farms nestle in Danby Dale in the beautiful North York Moors National Park. It's not far from the towns of Middlesbrough in one direction and Whitby, Scarborough and the Yorkshire coast in the other. Founded in 1955, Botton was the first Camphill centre to offer supported living opportunities to adults with learning disabilities and other special needs.
