

## CLEMATIS 'ESME'

It can be a fitting tribute to celebrate the life of a friend or relative to choose a plant named after them.

THIS IS 'ESME' - just opened today (Friday 29<sup>th</sup> May) with lots of buds still to open. Harry's Mum was called Esme & that is why we bought it for our new home.

The name Esme is a girl's name of French, Persian origin meaning "esteemed, beloved; emerald".
